

Point Insurance Reduction Program Driver Processing

There are currently three entities processing New York Education Department school bus driver training program PIRP registrations. You may not send registrations directly to DMV, you must use one of these services. Please contact these organizations directly to get forms (DS-960) to register drivers through them for PIRP benefits. The price charged for this service is not fixed by New York State, so check different providers for what they are charging.

Eastern Suffolk BOCES
\$5 per driver as of 2/08
631-472-6480
bwisnisk@esboces.org
