PT 910 - Physical Performance Test Document:

- With the addition of fields to the document, space may be limited in existing fields. Please write/ type in the spaces provided as best as possible (over-flow into other spaces is understandable).
- **Monitor/Attendant School Type** – Check one or both, if applicable. Monitor/Attendant may assist both public and non-public schools.

Monitor/Attendant School District (employer or client) - There is an addition to the box formerly identified as “School District”. It now has been moved and reads, “School District (employer or client)”. This box will reflect the school district that the person being tested will be assisting/employed with – aka the client. Please note, this box will have a school district NAME, whether the Monitor/Attendant is employed by the school district or the bus contractor. For filing and retrieval purposes, we require the district and/ company names this Monitor/Attendant may work for as a contracted employee. If there are multiple districts served by this single Monitor/Attendant, please list each district (abbreviate, if needed.) ***Note:** If the school bus Monitor/Attendant is located in NYC and is not yet assigned to a specific school district (employer or client) or bus contractor, the person completing this form should enter “not yet assigned” in the corresponding boxes.*

-PLEASE DO NOT USE 19A CARRIER NUMBERS IN THIS BOX-

- **Monitor/Attendant Bus Contractor** – A new box has been added to identify the company names this Monitor/Attendant may work for as a contracted employee (not applicable for district Monitor/Attendants, whom are not employed by a private contractor).
- **“PASS” or “FAIL”** – Please mark the boxes as preferred. This can be with a check mark, an “x”, by filling-in the appropriate box, or by circling a box to indicate if the Monitor/Attendant has passed or failed each standard.
- **Copy #2 should be EMAILED to the New York State Education Department (NYSED)** via Transportation@nysed.gov - Emailing the forms to NYSED allows districts and vendors to scan and directly email a copy of the form to NYSED’s Transportation Unit.
- **Copy #4** – SBDI Should keep a copy of this completed form for their records as well (should there be an occasion they would want to produce all the courses and PPTs they have administered).
